# CONDUCTOR & TOUR GUIDE

Zachary Singer earned his Bachelor of Music Degree from San Francisco Conservatory of Music in 2012 and Master of Music Degree from The University of Texas-Austin in 2014. His passion for playing percussion has led to performing in some of the greatest concert halls in the world including The Berliner Philharmonic, The National Concert Hall in Taipei and The Kennedy Center. Zachary joined the Jackson Hole Community Band in May 2015 as a percussionist. Since then, he has taken on more music projects in Jackson. When announced In March 2016, Zachary jumped at the opportunity to lead the JHCB as the new director.

We are an all volunteer band and do not hold auditions. Our members hail from backgrounds as diverse as engineering, law, real estate, and the clergy and range in age from early-teens to the eighties. Abilities range from Middle School students needing a more challenging repertoire, community members returning to their musical roots, music majors, and semi professionals. Many members have had a 15- to 20- year break before joining. It's never too late to join!
