Zachary Singer earned his Bachelor of Music Degree from San Francisco Conservatory of Music in 2012 and Master of Music Degree from The University of Texas-Austin in 2014. His passion for playing percussion has led to performing in some of the greatest concert halls in the world including The Berliner Philharmonie, The National Concert Hall in Taipei and The Kennedy Center. He is very excited to work with a group of well rounded musicians and expand his musical prowess.

The Jackson Hole Community Band is a volunteer organization established in 1989 that plays concert band music for recreation and community service. We rehearse every Thursday night at 7:00PM in the performing arts wing in the Center for the Arts. Newcomers are always welcome. Talk to us after today's concert if you're interested in joining. It's never too late to join! Students with at least 3 years of experience are encouraged to play with us.
